

Directions

Directions from points north (and from WV) to Zanesville:

Most people will probably take I-77 South (from Cleveland/Akron) or North (from WV) to I-70 West to **Zanesville exit 155** (hotel area).

There is a much shorter route from the north but a little more complicated: I-77 south to US 36 west to Coshocton, SR 16 west to Dresden, SR 60 south to Northpointe Drive (that actually goes *straight* just south of Dresden...60 turns off) which takes you to Zanesville all the way to Richey Road just before you hit Maple Ave (where it rejoins SR 60). Make a left at Richey (just past a light at an office park, then an apartment complex) to get to the church, then follow the directions below backwards to hotels.

Directions to church from hotel area: North on Underwood, cross Veteran's Bridge continue on Adair Ave. (same road, just a name change) straight across Linden Ave. to Maple Ave. **Continue on Maple Ave for just over 3 miles...will pass all the eating establishments ... Genesis Hospital on left across from Walmart...continue toward Colony Square Mall on left...just past GM dealership/Lowe's is a light at NORTHPOINTE DRIVE where you will turn RIGHT...first right is RICHEY ROAD, continue on Richey until almost the end, CHURCH is just beyond the fire station on LEFT.

An alternate route (shorter) from here. After turning off Adair onto Maple, & going less than a mile, bear right at the DRESDEN ROAD "point". Follow Dresden Road through pretty residential areas for about 2½ miles. Only traffic light is at Military Road...continue on Dresden Rd. until you see the high-end housing developments (Laurel Ridge on left, Stonington on right). Just beyond them on LEFT is Richey Road. Church is visible from that turn on right side of Richey.
